**PATENT WHITE WIRE
CLOTHES LINE.**
AS JUST WHAT OUR HOUSEKEEPERS WANT.
Seven reasons why every Family should have one of these patent
EVERLASTING WHITE WIRE CLOTHES LINES—
1st.—You never have to take it in, no matter what
the weather may be; for the weather cannot affect it.
2d.—It will last fifty years or more, and during that
time a great many rope lines will wear out, besides
enduring an untold amount of trouble and annoyance
with them.
3d.—It is the cheapest Clothes Line in the world, to
my making of its great convenience. A rope line will
cost fully ten times as much as this wire, and will last
with good care only about one year, while this will last
a life time.
4th.—You cannot fold it heavy enough with clothes
to break it; 1 lb. lbs. being its breaking weight.
5th.—It does not get in any way discolored, wear or injure
clothes that are hung upon it, and they never become
soiled. The finest clothes can be removed instantly in
the coldest weather without injury. This is a decided
advantage over rope lines.
6th.—It will save its price in saving your clothes
every six months you own it.
7th.—Last, though not least, this Wire will save
your clothes-poles as well as your clothes. You may
put poles over so freely, and the stretching of a rope
will pull them down. No so when this wire is used,
for it does not stretch, and poles will stand erect and
firm all their useful life.
